

Melt Flow Update

Tyler D. Stoffel

University of Kentucky, Mechanical Engineering
Computational Thermophysics Fluid Laboratory

November 17, 2020

Results

Ghost-Fluid Method 1D

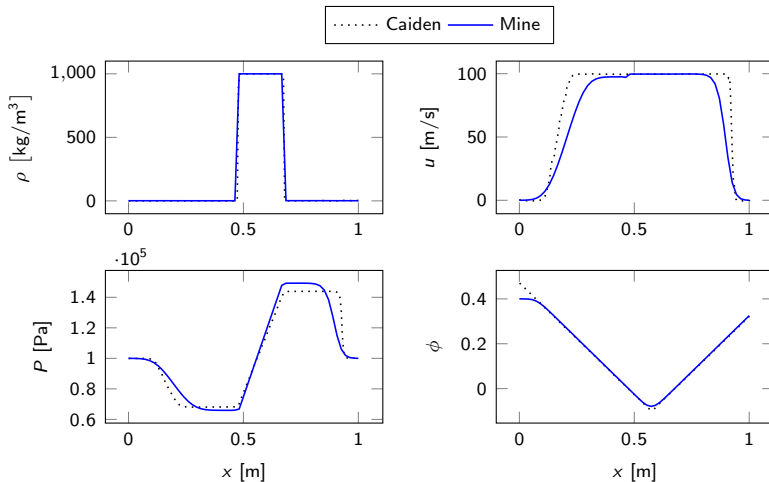

Figure: GFM results of 1D example 1 at $t = 7.5 \times 10^{-4}$ s

Results

Shock Tube Problem

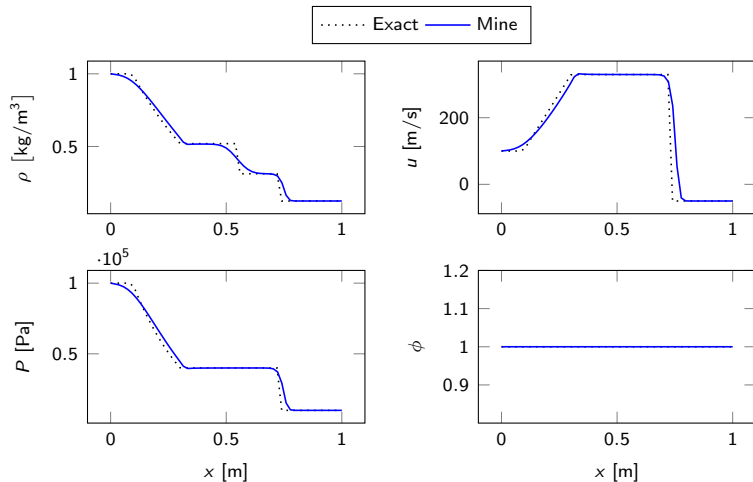

Figure: Shock tube problem results at $t = 5 \times 10^{-4}$ s
